Hamina LNG Terminal – In-Tank Transfer Notification

Operator:	Hamina LNG Oy
Transferor:	
Transferee:	
Quantity of LNG:	☐ *All remaining Inventory of the Transferor*

With reference to Section 29.1.6 of the Terminal Rules, the Transferor and the Transferee notify the Operator that they have agreed on an In-Tank Transfer for a quantity of LNG stated above.

The Transferor acknowledges that by submitting this Notification to the Operator it shall transfer the quantity of LNG stated above, which is currently being held in storage at the Terminal as part of the Transferor's Inventory, to the Transferee's Inventory.

The Transferee acknowledges that by submitting this Notification to the Operator the quantity of LNG transferred by the Transferor will be assigned into its Inventory.

Notwithstanding the foregoing, the Operator shall have the right to refuse to give effect to an In-Tank Transfer where the Operator is entitled to withhold the relevant User's Inventory of the Transferor in accordance with Section 41.2 of the Terminal Rules.

All words and expressions defined in the Terminal Rules will have the same respective meanings when used in this Notification.
